

North Smithfield Annual Great Pumpkin Festival

Pet Policy

Unfortunately, due to School Grounds Policy, family pets are welcomed at the **PumpkinFest**.

Service animals, with documentation, are welcome.

Owners must take responsibility for the cleanup of any “deposits” their pet may leave, please bring your own pet waste bags.

Owners must be ready to provide proof of all required and up-to-date vaccinations, and pets must have ID tags on their collars. When you bring your pet to the **PumpkinFest**, you accept liability for injury or property damage caused by your dog and you will be responsible for all cost of repairs, fines or levies.
